

Sailability Scotland SCIO Tack-Tick September 2018

- ✓ **Are you going to the T6 at Lochaber YC, on the 15/16 September?** It would be nice to hear from you if you are going so that we have an idea of numbers. This will help us budget for the event as well. info@sailabilityscotland.org.uk
- ✓ The forth regatta (T5) was hosted by the Clyde Cruising Club and supported by Mr Boyd Tunnock MBE which was another success. Despite fewer sailors attending the event went smoothly and was a pleasure to sail. Many thanks go to Mr Tunnock MBE and the club for their help and support. You can read the [Yachts & Yachting report](#).
- ✓ A few photos from the boat at the back (Diks)

✓ If you need a boat to race in any travellers or weekend events through the year, there is a possibility to 'hire' one for the weekend at a cost of £10 plus transportation to the regatta and back.

[Request a boat](#)

✓ We currently have four Challengers available for members to use and they are constantly being upgraded by Duncan, Alex and Ronnie. If you have an issue with a Challenger, these are the chaps to speak to and they usually attend the regattas.

✓ Have you thought about racing further afield? Would you like to race in England or Wales next year? [Register your interest](#).

✓ If you would like to contact [Sailability Scotland SCIO](#) you can send an email to info@sailabilityscotland.org.uk

✓ * * * **Challenger for sale** * * *

Moira Campbell is selling a Challenger and you can find details of the boat in [Boats and Outboards](#).

✓ **Finally, food for thought.** Your committee has been working very hard for you over the last two years. We are only a small team and I would like to thank Derrick, Duncan and Stephen for their help and dedication over this time. The charity has changed and is looking to further develop disabled sailing in Scotland.

We have set up a sailing centre, which ironically, has no water. And that is unfortunate but it has been established, we are waiting for the rains now, hopefully, it shouldn't be long. Once the water has returned we will have training, racing and a home regatta series being held there.

This is the possibly the last Tack Tick for this year, so any other news will be sent to you by email. And we hope to have some exciting news for you very soon.

We are in need of at least one other trustee who is internet savvy and has time to spare. Please consider helping the charity and being part of the team driving it forwards to new and exciting waters.

Best wishes – Dik Toulson - Chairman
