### 14. Liability

A boat is entirely responsible for its own safety, whether afloat or ashore and nothing, whether in the Notice of Race, Sailing Instructions or anywhere else, reduces this responsibility.

It is for the boat to decide whether it is fit to sail in the prevailing conditions. By launching, the boat confirms that it is fit for the conditions and that its crew is competent to sail and compete in them.

A boat is required to hold adequate insurance and, in particular, to hold insurance against third party claims in the sum of at least £3m for the duration of the event.

Nothing done by the organisers and their agents can reduce the responsibility for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the event. The organisers encompass everybody helping to run the races and the event, including the organising authority, race committee, Race Officers, patrol boat crews and beach masters.

The provision of Patrol Boats does not absolve any boat of its responsibilities.
